# Jay Industries

[www.indiamart.com/jayindustries](http://www.indiamart.com/jayindustries)

We are a renowned manufacturer, supplier and exporter of **Briquetting Machine Parts, Crusher and Kupi** that are applied in varied industries. These products are well known for their durability and low maintenance.

## Profile

Established in the year 2007, we, Jay Industries based at Rajkot (Gujarat, India) are an eminent manufacturer, supplier and exporter of Briquetting Parts, Briquetting Machine Spare Parts, Briquetting Machine Parts, Briquette Machine parts, Briquette Machine components, Crusher and Kupi. We ensure to manufacture our products using optimum quality raw material that is procured from trusted and authentic vendors of the market.

Our products are highly appreciated across the globe for their features like durability, reliability, cost effectiveness and tensile strength. Moreover, we have hired expert quality controllers, who stringently check the quality of the products on the basis of different quality parameters. Due to our supreme quality products, we have gained immense recognition across the South/West Africa, East Asia and South East Asia, to name a few.

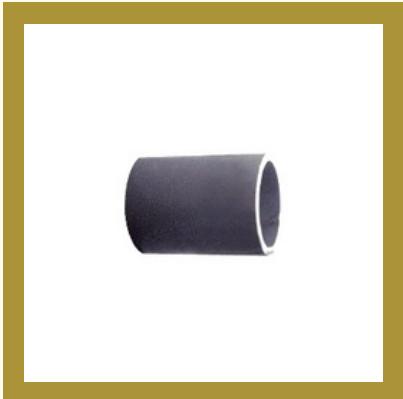

Under the able guidance of our mentor Mr. Mahesh Patel and Mr. Parsh Patel, we have achieved tremendous feat within a short span of time. Their vast industry knowledge, immense business skills and transparent business dealings have enabled us to reach the pinnacle of success.
